## BUILDER GEL

Elixir Make-Up presents the professional single-phase building Gel in a viscous form, for a perfect and radiant result that lasts.

Suitable for the form technique, for building in tips and for physical reinforcement.  
Easy application.  
Extra durable.

	Code	Color	Grams
	785	Camouflage	30gr
	786	Camouflage	15gr
	787	Milky White	30gr
	788	Milky White	15gr
	792	White	15gr
	793	White	30gr
	796	Clear	15gr
	797	Clear	30gr
	798	Pink	15gr
	799	Pink	30gr

## ACRY GEL

High quality composition that combines the advantages of Gel and acrylic powder making it extremely durable. Ideal for both elongation and natural enhancement. The viscous texture, does not “run” during application, thus making the process of elongation and physical enhancement very easy! It offers the durability of an acrylic nail without drying, giving us time for its proper construction, while it cures like Gel!

Code	Color	Grams
780	Light Pink	30gr
781	Cover Pink	30gr
782	Beige	30gr
783	Milky White	30gr
784	Clear	30gr

## HARD GEL

Hard Gel is a thin Gel with a brush for easy application, it is suitable for natural strengthening and very little elongation. You can even use it on Tips.

It is recommended with a thin layer of base before its application.

Code	Color	Grams
097	Pink	15ml
098	Milky White	15ml
099	Clear	15ml

## MAGIC REMOVER FOR UV GEL

Elixir Make-Up presents the revolutionary Magic Remover. The most innovative product that came to replace the traditional way of removal with acetone or the use of a wheel, neutralizing the varnish and making it peel easily!

### Instructions for use:

1. File the surface of the nail well, removing the top coat.
2. Apply two coats of Magic Remover.
3. Wait 6-8 minutes.
4. Remove the varnish with the help of a pusher.
5. Using the buffer to remove any residues.

795 / 794

## NAIL POLISH 40" FAST DRY

For a look that stands out, the new Elixir Make-Up varnish, with its rich color and soft texture, is your best ally.

Choose from hundreds of shades, without fear of color breaks or the need for multiple layers

Thanks to the new formula, the varnishes dry in 40 seconds and last up to 8 days, after the first application.

BRUSHES

500

### EYELASH & EYEBROW BRUSH

The eyelash and eyebrow brush for perfect color coverage and shading, has a brush and is the ideal choice for the care of your eyes and eyelashes.

501

### FLAT EYELINER BRUSH

The flat eyeliner brush has a straight blunt cut to help you create precise lines. You can use it to apply your liquid eyeliner or your shadow.

502

### BLENDING BRUSH

The blending brush is ideal for uniform application, erasing and mixing shadows.

503

### CREASE BRUSH

The crease brush is specially designed to apply and combine shadows on the crease of your eyelid. Its tapered tip is ideal for adding depth or making the eyes look bigger.

504

### CONCEALER BRUSH

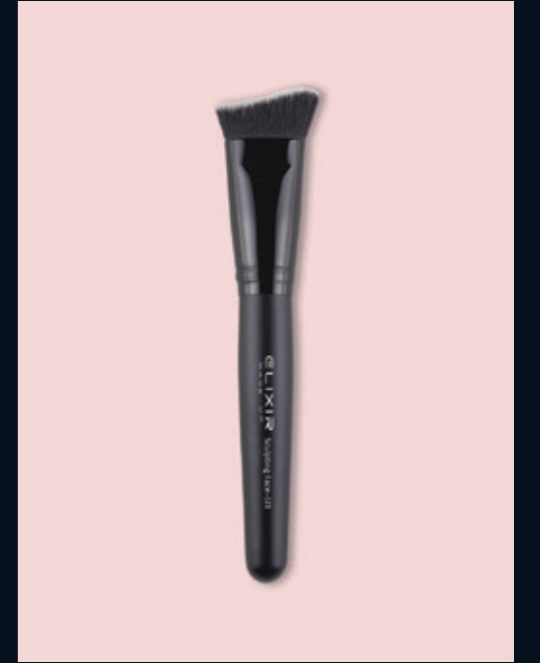

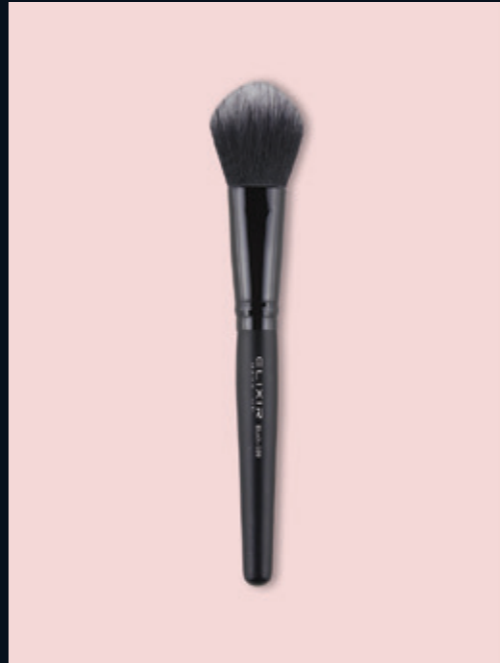

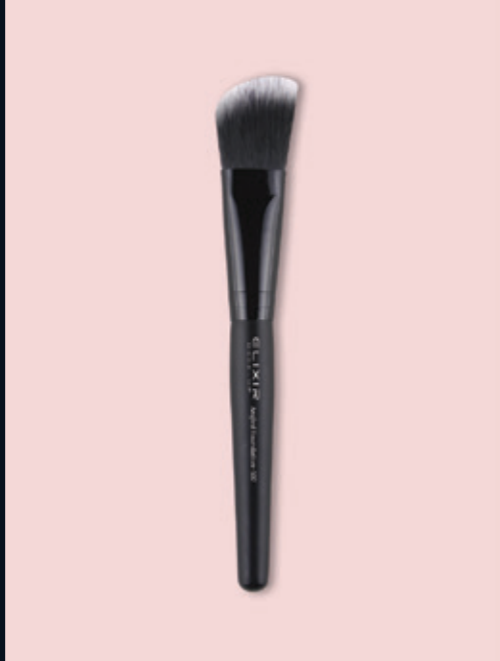

The concealer brush has the right shape to mix your concealer with the rest of your makeup. A concealer brush is considered best when it has the ideal size to cover small imperfections and is designed with tight and compact bristles that aid in blending.

505

### FLAWLESS CONCEALER BRUSH

The flawless concealer brush is a brush with a unique round shape, which gives you the perfect coverage in the areas of your face that you want to cover more.

506

SMALL FAN BRUSH

The small fan brush is used to apply your highlighter and bronzer. The flat fan shape of the brush allows you to define your cheekbones and gently apply your highlighter.

507

ANGLED FOUNDATION BRUSH

The angled foundation brush has a special shape that allows the precise application of the foundation in difficult areas and the easy contouring of the face. It can also be used for shading.

508

POINTED FOUNDATION BRUSH

The pointed foundation brush has a conical head for the precise application and coverage of your skin. It is the ideal choice either for use with liquid & creamy products, or for products in powder form.

509

BLUSH BRUSH

The blush brush has a special design that allows you to apply your blush evenly, giving intense color and perfect coverage.

510

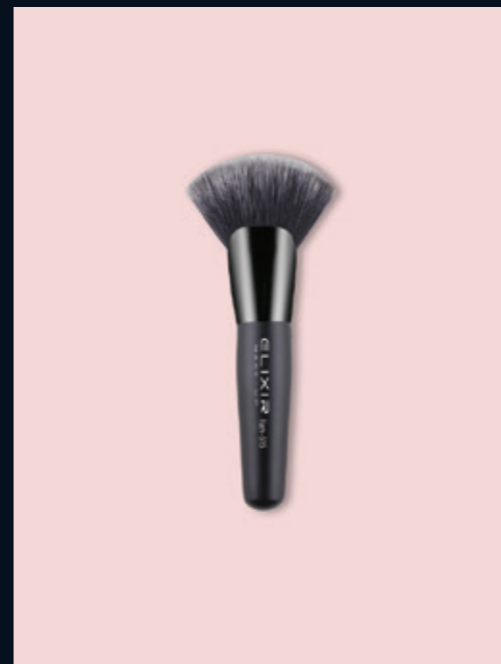

SLANTED FOUNDATION BRUSH

The slanted foundation brush is designed with such a slope and density, so that it glides easily on the folds of your face and facilitates the application of the foundation even in the most difficult places.

511

SCULPTING FACE BRUSH

The contour and curved shape of this brush hugs your face and makes mixing products easier. It is ideal for use with your foundation but works perfectly with other products with a creamy texture as well as a powder texture.

512

BLUSH BRUSH

The blush brush is the ideal brush for applying your blush and bronzer, both in powder form and in a creamy texture. The soft bristles and the shape of the brush make it easier to apply to all parts of your face and your contouring process.

513

DUO FIBRE BRUSH

The duo fiber brush is used for the light application of your foundation and its mixing with the powder & other products that you use on it. What differentiates it from other brushes? The flexibility of its hair and the rigidity at its base help to spread your product properly and make it ideal for creating soft layers.

514

FLAWLESS FACE BRUSH

The flawless face brush is a soft brush that allows you to apply the product with the lightest texture and have a soft and natural result. Its light edge has a flexible slope to perfectly fit the contours of your face for more accurate placement of products.

515

FAN BRUSH

The fan brush, or powder brush, ensures a flawless, smooth finish and full coverage of your face, leaving the skin uniform and natural. Its flat shape allows you to define your face evenly and makes it the ideal tool to remove excess product as soon as you finish your makeup.

516

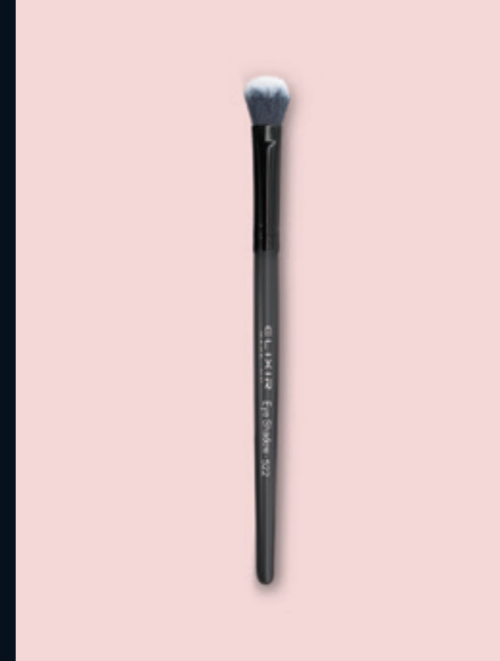

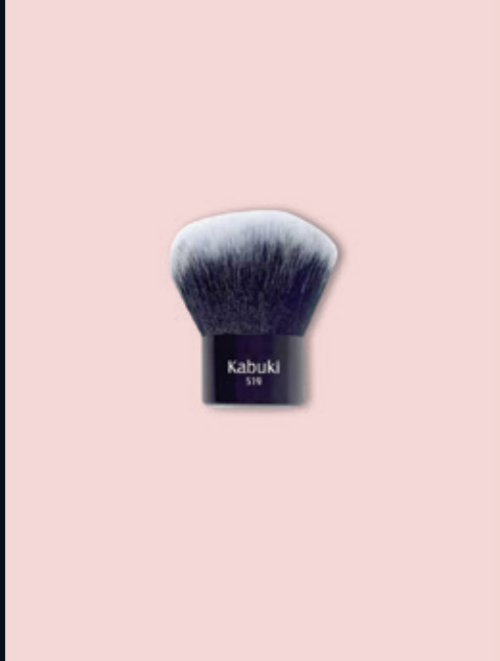

ULTIMATE BLENDING BRUSH

The ultimate blending brush is a brush for the perfect application of bronzing products. With this you can give your skin a uniform sunburned look in all parts of your face.

517

SLANTED POWDER BRUSH

The slanted powder brush is a powder brush for a uniform effect on the skin. It is the ideal choice for use under the eye area, around the nose and in the eyebrow area, thanks to the amount of fibers and the shape it has.

518

RETRACTABLE POWDER  
BRUSH

The retractable powder brush is a rotating brush for all types of powder, for face and body, ideal to carry it in your bag or bag, wherever you are.

519

KABUKI BRUSH

The kabuki Brush is a practical high quality brush specially designed to apply powders, blushes and bronzers on your face and body.

520

ANGLED EYELINER  
BRUSH

The Angled Eyeliner Brush has an innovative brush with an angled handle, to have the absolute control and accuracy in the lines you want to give.

521

EYEBROW BRUSH

The Eyebrow Brush, with double tip, is ideal to fill and give the perfect shape to your eyebrows. Offers proper application of color on the eyelid and corners, for a professional result!

522

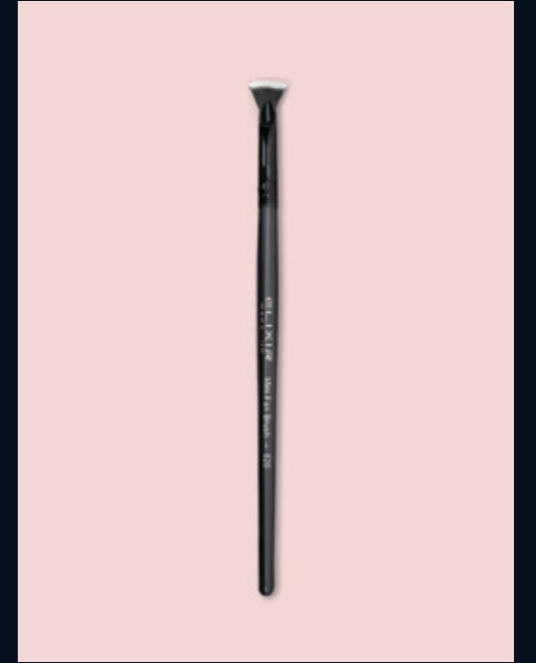

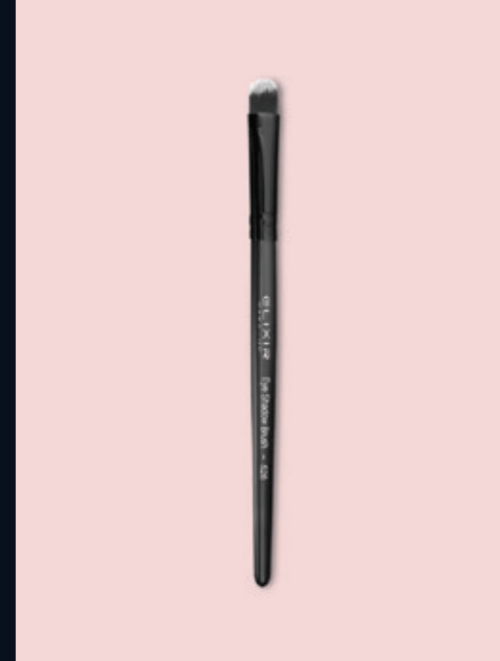

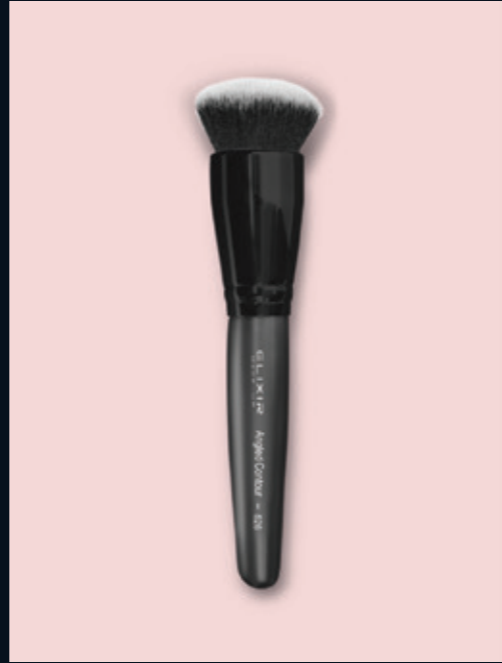

EYESHADOW BRUSH

An eye brush, specially designed, to easily mix your shadows. Make eye makeup a "toy" and create a seductive eye makeup look in minutes!

523

EYESHADOW BRUSH

This shadow brush, with an oblique head, is specially designed for natural buffing, thanks to its rounded bristles. It is ideal for creamy and wet shades and offers you a uniform result.

524

### CONTOUR BRUSH

The contour brush is the must-have brush to create the perfect light and shadows in your makeup! Its design ensures a large coverage area, while its corners allow precise application around the eyes and nose.

525

### CONTOUR BRUSH

The contour brush is a soft brush that allows you to apply the contouring on your face and have a natural result.

526

### ANGLED CONTOUR

The angled contour has a special shape that allows the precise application of the contouring in difficult areas and the easy contouring of the face.

527

### POWDER BRUSH

With a powder brush you can create a uniform effect on the skin. It is the ideal choice for all types of powder

528

### EYE SHADOW BRUSH

The eye shadow brush is ideal for uniform application, erasing and mixing shadows.

529

### MINI FAN BRUSH

The mini fan brush is used to apply the highlighter under the eyebrows or even for shading under the eyes. The flat fan shape of the brush allows you to define exactly how to place the highlighter or shadow more correctly.

# ACCESSORIES

# NAIL SCISSORS

Elixir Makeup Nail Scissors are made of stainless steel to provide excellent cutting quality and high durability. The well sharpened blades cut the finger nails with ease.

Directions of use:  
In order to have an easier cut we suggest to soak fingers in warm water for a while. Trim carefully beyond fingertip following the curve of the nail.

| 535

| 536

| 537

| 538

| 539

# NAIIL NIPPERS

Elixir Makeup Cuticle Nippers are made of stainless steel to provide excellent cutting quality and high stability. The well sharpened blades cut the cuticles with ease.

Directions of use:  
In order to have an easier cut we suggest to soak fingers in warm water for a while. Push cuticle back into a square shape with the blunt end of a manicure stick and cut the dead cuticle area.

| 540

| 541

| 542

| 543

| 544

# TWEEZERS

Create your own well designed eyebrows using the new Elixir Makeup Professional Slanted Tweezer. They come in flat and slanted tip.

Slanted eyebrow tweezers edges are hand-filled for grabbing long and thick eyebrow hairs evenly every time. After use, please remove any remaining hair and clean the tweezer using alcohol.

Flat eyebrow tweezers come with aligned points for controlled and precise eyebrow plucking.

# CUTICLE PUSHERS

Elixir Makeup Professional Cuticle Pusher provides precise pushing of the cuticles without harming your skin. Ideal for professional or domestic use.

Use the sharp edge to clean your nail and remove any dirt.

Material: Stainless Steel
